DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on August 31, 2006 has been entered and carefully considered.
2. Claims 1 and 18 are amended and claims 36-38 are cancelled. Therefore, claims 1-35 are currently pending in the application.
3. Claims 1-35 are allowed.

EXAMINER'S AMENDMENT

4. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
5. Authorization for this examiner's amendment was given in a telephone interview with Ari G. Akmal (Reg. No. 51,388) on 09/11/2006.

6. The application has been amended as follows:

- in line 8 of paragraph [0001] on page 2 of the Specification:
 - enter the co-pending application number as --10/733/742-- instead of "10/ . . .".
- Replace line 8 of Claim 35 with following:
 - "found in the cache; and storing metadata in conjunction with the responsive content such that the request can be generated from the metadata, wherein the metadata is obtained from the evaluation of one or more of the set of parameters by the corresponding module".

REASONS FOR ALLOWANCE

7. The following is an examiner's statement of reasons for allowance:

The prior arts of record do not teach nor suggest, either alone or in combination, **all** the limitations of the amended independent claims 1, 18 and 35 of the current invention.

Claims 2-17 and 19-34 further limit the allowable independent claims. These claims are therefore allowable for the same reason as set forth supra.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
